SET UP INSTRUCTIONS 2/2

Hook & Connect Ladder Lights

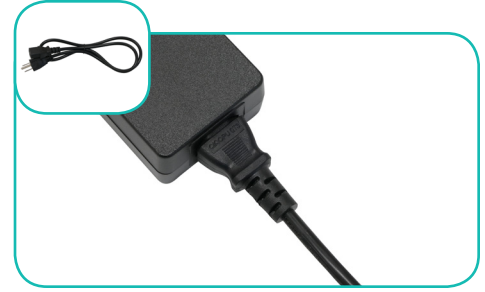

a. Hang Ladder Lights from top and bottom "x" bars of the frame.

Note: Make sure to follow label that says "UP" or "DOWN".

b. Connect bottom set of lights to the LED Driver using the barrel connectors

c. Insert power cord to the LED Driver. Plug other side into your main power outlet.

Install Graphic

a. Install one piece graphic on the front side of the frame (Ladder Lights on the front). Start on each corner of the end caps.

b. Insert the silicone edge beading into the groove corners (top & bottom). Repeat graphic installation on other side the end caps.

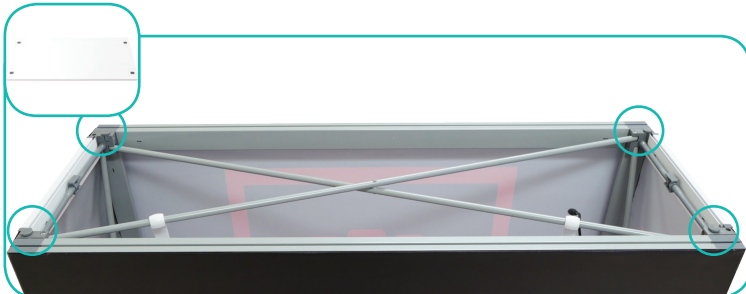

c. Then insert the remainder of the beadings of the one piece graphic.

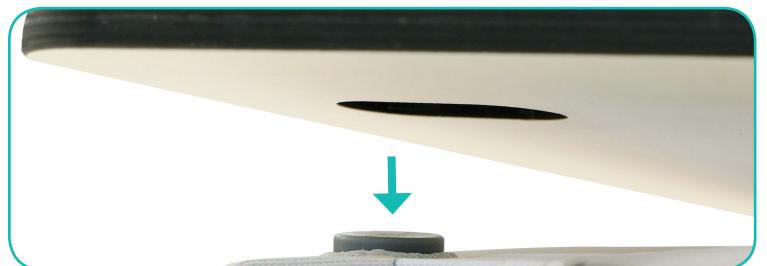

d. Repeat graphic installation on the back side of the frame.

Install Countertop

a. Locate the circular caps on top of the counter and locate the dovetails underneath the countertop.

b. Place the countertop on top of the counter by aligning the dovetails to the circular caps.
