Installed on QSEG 1.4 x 4.9ft

PRODUCT DESCRIPTION

Automatic touch free hand sanitizer dispenser for QSEG Quick Wall Displays. The dispenser attaches to the top corners of either the left or right hand sides of your QSEG Quick Wall Display so it does not obstruct your graphic. Compatible with all QSEG Quick Wall Displays, but recommended for use on 4.9ft tall displays. Dispenser capacity is 1000ml and requires (qty 4) C batteries to operate (not included) or DC power 6V 1A plug (not included)
